

Experience

Principal with the Interior Design Service division

STOA Architects

January 2012 – Present (3 years 3 months) | Houston, TX

Over the last five years, STOA Architects has expanded the company globally to include offices in China, the Far East, and Africa.

Owner

Swale Interiors

November 1996 – Present (18 years 5 months) | Houston, TX

In the mid-90's, Swale Interiors was primarily a decorating and consulting firm. Nine years ago, we launched our full-service interior and exterior painting division. Now, we're able to assist our clients through every phase from decorating, color choice, & painting. We love to help you achieve results that make your space stand out and be truly unique. We service homes in: Houston, Sugar Land, Katy, Pearland, Missouri City, Richmond, Stafford, Memorial, Bellaire, & West University.

President/CEO

Feng Shui International

November 1996 – Present (18 years 5 months)

I have studied feng shui for over 18 years and hold a certification from the American Feng Shui Institute in Monterey Park, California. As a private consultant, I've worked with architects, interior designers, landscapers, financial institutions, real estate developers, hospitals, hotels, and all phases of the commercial and residential real estate market. In addition, I've also taught feng shui classes at the University of Houston and have conducted feng shui workshops and seminars for members of the real estate and interior design communities.
